

CgBaseEvent

```
classDiagram
    CgSubdivisionEvent --|> CgBaseEvent
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'CgBaseEvent'. Below it is a gray rectangular box labeled 'CgSubdivisionEvent'. A blue arrow points vertically from the top of the 'CgSubdivisionEvent' box to the bottom of the 'CgBaseEvent' box, indicating that 'CgSubdivisionEvent' inherits from 'CgBaseEvent'.
