

CgObserver

```
classDiagram
    CgSceneControl --|> CgObserver
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'CgObserver' with a light gray fill and a black border. Below it is a box labeled 'CgSceneControl' with a white fill and a black border. A solid blue arrow points from the bottom center of the 'CgSceneControl' box to the bottom center of the 'CgObserver' box, indicating that 'CgSceneControl' inherits from 'CgObserver'.
